TRAVEL CONCESSION

We are delighted that Condor Ferries is, once again, sponsoring the Regatta through the provision of discounted fares for those wishing to transport their boats to/from Jersey for the event. This covers accompanied boats on trailers, vehicles and passengers and applies to bookings made no later than 11th August. The 15% discount applies to new return bookings for for Condor Ferries' sailings between Poole, Portsmouth, Guernsey, St Malo and Jersey for travel between 1st and 9th September.

The booking procedure is:

1. Log on to www.condorferries.co.uk
2. Make your booking
3. Enter promotion code JREG2019 under section 4, the 'Your details' section which is on the right hand side underneath the itinerary and fares quote (see the screenshot)
4. The final quote will show the agreed sponsorship discount and you then proceed to payment (see the screenshot)

(Bookings can be made through Condor reservations or ports, but will attract a £4 supplement, so the cheaper way is using the website).
